**U.S.A. vs. Genesis Lee Whitted**

**Docket No. 7:02-CR-104-1F**

**Petition for Action on Supervised Release**

COMES NOW Eddie J. Smith, probation officer of the court, presenting a petition for modification of the Judgment and Commitment Order of Genesis Lee Whitted, who, upon an earlier plea of guilty to 18 U.S.C. § 922(g)(1), Possession of a Firearm by a Convicted Felon, was sentenced by the Honorable James C. Fox, Senior U.S. District Judge, on June 2, 2003, to the custody of the Bureau of Prisons for a term of 180 months. It was further ordered that upon release from imprisonment the defendant be placed on supervised release for 60 months under the standard conditions adopted by the court and the following additional conditions:

1. The defendant shall consent to a warrantless search by a United States Probation Officer or, at the request of the probation officer, any other law enforcement officer, of the defendant's person and premises, including any vehicle, to determine compliance with the conditions of this judgment.
2. The defendant shall participate as directed in a program approved by the probation office for the treatment of narcotic addiction, drug dependency, or alcohol dependency which will include urinalysis testing or other drug detection measures and may require residence or participation in a residential treatment facility.
3. The defendant shall abstain from the use of any alcoholic beverages, shall not associate with individuals consuming alcoholic beverages, shall not frequent business establishments whose primary product to the consumer is alcoholic beverages, and shall not use any medication containing alcohol without the permission of the probation office or a prescription from a licensed physician.
4. The defendant shall participate in a program of mental health treatment, as directed by the probation office.

On September 7, 2004, as a result of changed circumstances, the court reduced the imprisonment sentence to 120 months. Genesis Lee Whitted was released from custody on March 25, 2011, at which time the term of supervised release commenced. On April 5, 2011, a violation report was submitted to the court reporting the defendant tested positive for marijuana on April 4, 2011. As a result of this use, the defendant was referred to substance abuse counseling. On July 11, 2011, after Whitted admitted to using marijuana on July 4, 2011, the conditions of supervised release were modified to include the following:

The defendant shall abide by all conditions and terms of the home detention program for a period not to exceed 60 consecutive days. The defendant shall be restricted to his residence at all times except for pre-approved and scheduled absences for employment, education, religious activities, treatment, attorney visits, court appearances, court obligations or other activities as approved by the probation officer. The defendant shall wear an electronic monitoring device and follow electronic monitoring procedures specified by the probation officer.

**RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:** The defendant submitted a urine sample on August 19, 2011, that was positive for marijuana. At first, the defendant denied any additional marijuana use since July 4, 2011. When confronted with the confirmed lab results, the defendant admitted to additional marijuana use. The defendant continues to be enrolled in substance abuse counseling and the Surprise Urinalysis Program. At this time, we are recommending that the conditions of supervision be modified to include participation in a cognitive behavioral program. We feel that a cognitive behavioral program combined with substance abuse counseling will assist the defendant in abstaining from drug use.

The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision.

**PRAYING THAT THE COURT WILL ORDER** that supervised release be modified as follows:

The defendant shall participate in a cognitive behavioral program as directed by the probation office.

Except as herein modified, the judgment shall remain in full force and effect.
